Research Question

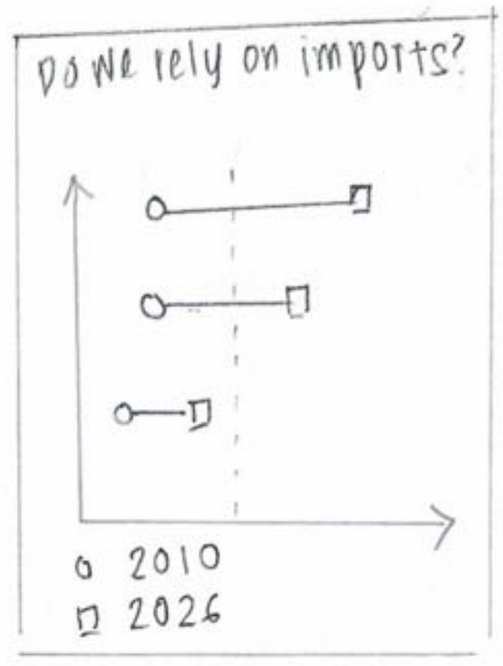

- Which foods are truly plentiful?
- How has our diet changed since 20XX

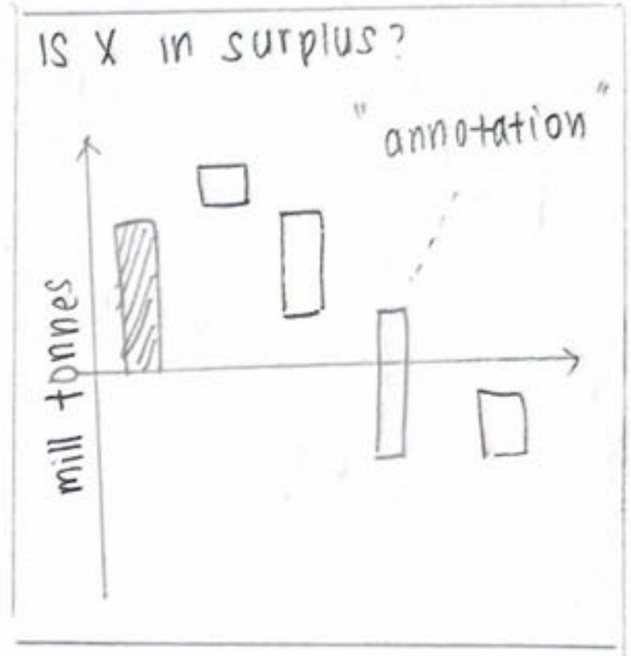

GROW [1 of 7]

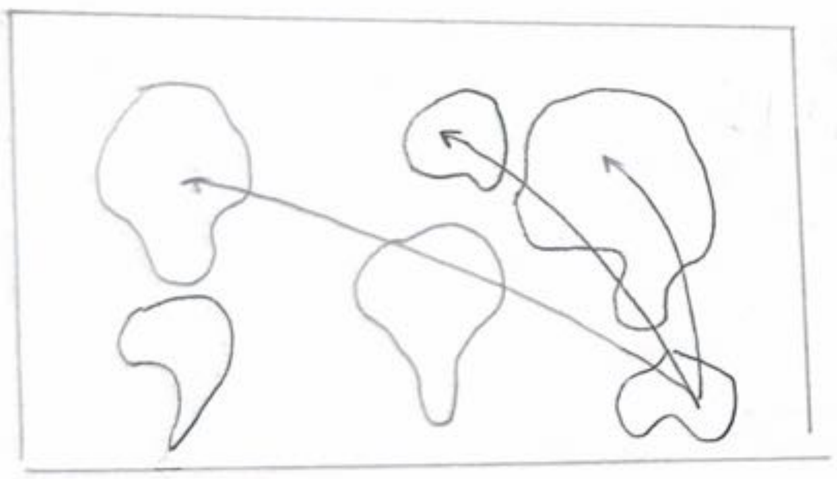

STOCK [2 of 7]

SHIP [3 of 7]

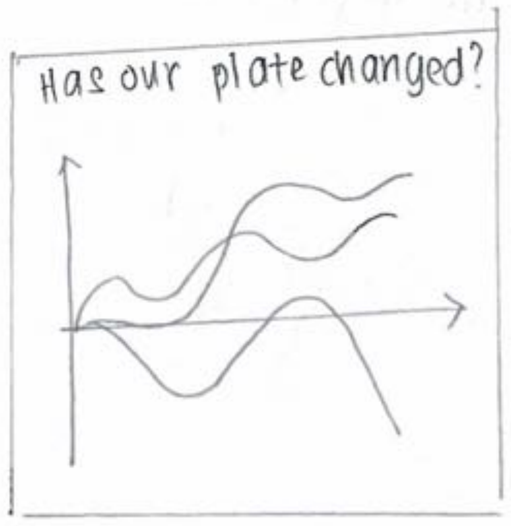

Key takeaway:

We export to Asia

We import from Europe.

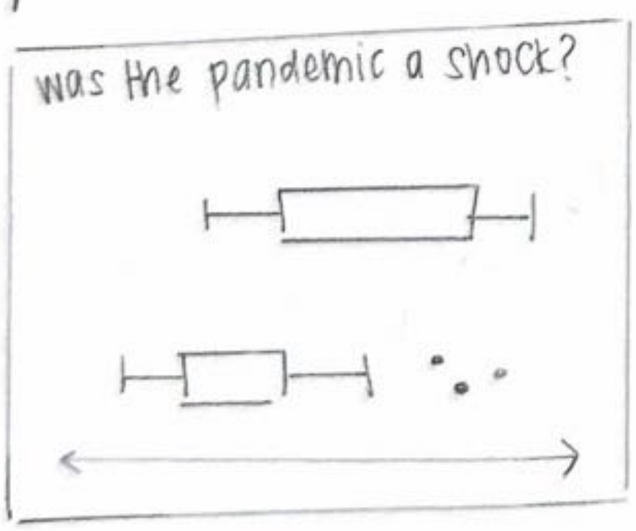

PLATE [4 of 7]

Key takeaway:

Yes. X reduced to X% by 2015.

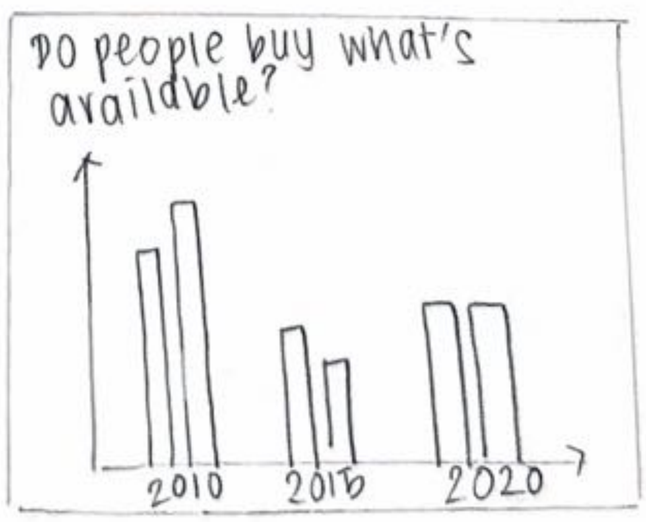

SHOCK [5 of 7]

Key takeaway:

No. Fluctuations can also be seen in seasons.

TROLLEY [6 of 7]

Key takeaway:

Yes. People don't buy what's imported by the grand.

VERDICT [7 of 7]

So, now available is our food?

Which foods are plentiful?

How has our diet changed since
